## AN INTRODUCTION TO THE SERIES

Britain's brightest young road racers will be in action in an exciting new road racing series this season.

Called the Pro-Am series, the event will be open exclusively to the cream of the country's 24 year old and under International riders. Competitors will be divided into two categories, the Pros, riders with proven ability in international events, and pitted against them will be the Ams, "rookie" riders who showed their exciting potential in the best of Britain's club meetings last season.

The bikes will be identically prepared Yamaha RD/LC 350s, the breathtaking, new, watercooled road machine recently introduced to the British market.

The racing is certain to be fast, exciting and highly competitive. And to add still more sparkle the competitors will draw lots before the start of practice at each of the eight rounds to see which bikes they will ride at that meeting.

Each round will have twenty competitors and over £1,000 prizemoney.

There will be rounds at Brands Hatch, Snetterton, Oulton, Mallory Park, Donington, Cadwell and Knockhill.

It's a sensational new championship designed to provide top class racing and rewards for the talented new brigade in British road racing. A positive attempt to encourage young riders and build a brighter future for British road racing.

OVERALL SERIES WINNER WILL RECEIVE A SPECIALLY SIGNED YAMAHA KING  
PLUS OTHER EXCITING PRIZES TO BE ANNOUNCED
